TOGETHER WE ASPIRE! DREAM DESIGN DEVELOP CELEBRATE

With your help my goal is to stimulate activity to achieve outstanding accomplishments for Psi State during the 2001-2003 biennium. As a team we want to establish new records.

DREAM:

Working together, we will create opportunities to master goals for this biennium. Every voice will be heard. We will plan well to be recognized as the outstanding educators that Psi State members are. We will do this by Swap Day, July 18, 2001.

DESIGN:

After listening to our chapter presidents and individual members, we will formulate a plan of action that can be presented at the executive board meeting September 22, 2001. This requires good communication, discussion, preparation, and presentation.

DEVELOP:

As we enable others to lead, we will encourage and support plans and projects. We will convert followers into leaders, and we may convert leaders into agents of change. By creating new visions of possibilities, we can evoke confidence and mastery of new organizational practices.

CELEBRATE:

This Psi State electrifying atmosphere will produce successful member participants who are trained, skilled, and proficient. Allowing others to contribute to feel powerful is a win-win situation for all areas of the Society. The future is now, and it's our turn.

PERSONAL GOALS FOR THE 2001-2003 BIENNIUM

1. To increase membership by 10%.
2. To add new chapters where needed.
3. To increase the use of technology to accomplish the work of the Society in Psi State.
4. To increase participation at least 10% in all activities and levels of the Society.
5. To eliminate the cost of an office so that the money can be used more effectively at the Psi State Headquarters.
6. To have a working Psi State web site.
7. To have a legislative day at the Capitol.
8. To establish a Psi State Educational Foundation.
9. To establish a retreat to educate officers and members.
10. To publish at least 3 issues of the Psi State News each year to promote better communication with all Psi State members.

 Psi State President, 2001-2003
